

Dear Colleague,

YOUTH COHESION PROJECT LAUNCH

Blackburn Town Hall, Friday 21 July 2006, 3.30pm to 5pm

We would like to cordially invite you to a unique grassroots project where young Christians and young Muslims are undertaking a groundbreaking project on the theme of engagement and active citizenship.

This partnership project between Youth Action in the North West of England and the charity NICHES from Belfast, will bring 20 young people together for 6 days, to enable them to gain new skills, break down barriers and inform others on how they progressed.

This is a groundbreaking project, as it was previously piloted in 2004 whereby 40 young people from diverse faith backgrounds successfully completed the project on young people from multi-faith backgrounds learning forms of integration and mutual respect. Come and join us to look forward to the next phase of this project and also to meet young people from the project in 2004, and see where the learning has taken them!

The launch event will be hosted by the Mayor of Blackburn with Darwen, Cllr Dorothy Walsh on Friday 21 July 2006 at Blackburn Town Hall. The event starts at 3.30pm and finishes at 5pm.

Light refreshments will be served prior to the launch. Please arrive at least 30 minutes prior to the start time to register.

Please take the time look at other work that Youth Action does to engage with young people locally. You can access this on the website www.Youth-Action.net or from the Youth Action team on 01254 695847.

Please complete and **return the booking form** to us for a place at the launch; as **places are limited!**

Yours faithfully,
